SHANGHAI MUNICIPAL POLICE.

REPORT

Boarding House Section Station,

Date December 30, 1932.

Subject (in full) Attached complaint

Made by D.I. Schmidt Forwarded by Supt. Quayle

Sir,

Reference attached complaint, inquiries show that the French Police, have received an exact copy of complainant's letter and with the assistance of the French Police, the complainant Miss. T. F. Boulgakova, was located and interviewed by D.S. Massiukoff at 698 Rue Bourgeat (the number 689 given in attached letter is an error).

Complainant's story is the usual lover's quarrel. It is correct that she has been beaten on several occasions by her lover M. I. Elkes, but had refused to prosecute him.

Complainant has been a resident of the French Concession for the last six months, and as according to complainant, Elkes (the lover), is in the habit of coming to her home in the French Concession to cause trouble, the French Police requested assistance to visit 34 Haskell Road to interview Elkes.

At 9.40 a.m. December 30, the undersigned accompanied by D.S. Massiukoff and French Detective Lyapin, visited 34 Haskell Road, interviewed Michael I. Elkes and warned him not to molest complainant in future. He was also strongly advised that the Court, was the best place to settle the dispute regarding the guardianship of the child.

Yours obediently

H. J. Schmidt
